

**THURSDAY, SEPTEMBER 23, 2021**

11:00 - 11:15 (EST)	President's Welcome
11:15 - 12:30 (EST)	CAPS Surgeon's Den (3 minute/1 slide; 4 minute Q/A) Moderators:
11:15 - 11:22	Intrathoracic compression secondary to congenital diaphragmatic hernia causes alteration in the density of brain cell populations in fetal rats <u>George Biouss</u> ^{1,2} , Rebeca Figueira ¹ , Lina Antounians ¹ , Augusto Zani ¹ ¹ The Hospital for Sick Children, Toronto, Canada. ² University of Toronto, Toronto, Canada
11:22 - 11:29	Differentiating Congenital Ovarian Cysts From Other Abdominal Cystic Lesions In Female Infants: A Study by the Canadian Consortium for Research in Pediatric Surgery (CanCORPS) <u>Nadia Safa</u> ¹ , Natalie Yanchar ² , Pramod Puligandla ¹ , Maida Sewitch ³ , Robert Baird ⁴ , Mona Beaunoyer ⁵ , Niamh Campbell ⁶ , Rati Chadha ⁷ , Christopher Griffiths ⁸ , Sarah Jones ⁹ , Manvinder Kaur ¹⁰ , Annie Le-Nguyen ⁵ , Ahmed Nasr ¹⁰ , Nelson Piche ⁵ , Hannah Piper ⁴ , Pascale Prasil ¹¹ , Rodrigo Romao ⁶ , Lisa VanHouwelingen ⁸ , Paul Wales ¹² , Andreana Butter ⁹ , Elena Guadagno ¹ , Sherif Emil ¹ , Canadian Consortium for Research in Pediatric Surgery (CanCORPS) ¹ ¹ Harvey E. Beardmore Division of Pediatric Surgery;The Montreal Children's Hospital;McGill University, Montreal, Canada. ² Division of Pediatric Surgery;Alberta Children's Hospital;University of Calgary, Calgary, Canada. ³ Department of Epidemiology;McGill University Faculty of Medicine, Montreal, Canada. ⁴ Division of Pediatric Surgery;Children's Hospital of British Columbia;University of British Columbia, Vancouver, Canada. ⁵ Division of Pediatric Surgery;Centre Hospitalier Universitaire Ste Justine; Universite de Montreal, Montreal, Canada. ⁶ Division of Pediatric Surgery;IWK Health Sciences Center;Dalhousie University, Halifax, Canada. ⁷ Division of Maternal Fetal Medicine; University of Calgary, Calgary, Canada. ⁸ Division of Pediatric Surgery;McMaster Children's Hospital;McMaster University, Hamilton, Canada. ⁹ Division of Pediatric Surgery;London Health Sciences Center;Western University, London, Canada. ¹⁰ Division of Pediatric Surgery;Children's Hospital of Eastern Ontario;University of Ottawa, Ottawa, Canada. ¹¹ Division of Pediatric Surgery;Centre Hospitalier de l'Universite Laval; Universite Laval, Laval, Canada. ¹² Division of Pediatric General and Thoracic Surgery;The Hospital for Sick Children;University of Toronto, Toronto, Canada
11:29 - 11:36	Risk stratification helps identify congenital diaphragmatic hernia (CDH) infants in need of formal neurodevelopmental assessment: Observations from a structured, interdisciplinary long-term follow-up clinic <u>Mahdi Hassan</u> , Dylan Patel, Kathryn LaRusso, Louise Koclas, Megan Smith-Morin, Adam Shapiro, Ana Sant'Anna, Gabriel Altit, Sabrina Beauseigle, Pramod Puligandla Montreal Children's Hospital, Montreal, Canada

11:36 - 11:43	<p>Mid-term respiratory outcomes of children with congenital lung malformations- a population-based case-control study</p> <p><u>Moritz Marke</u>^{1,2}, Gabrielle Derraugh¹, Martin Lacher², Suyin Lum Min¹, Richard Keijzer¹</p> <p>¹University of Manitoba, Department of Surgery, Division of Pediatric Surgery and Children's Hospital Research Institute of Manitoba, Winnipeg, Manitoba, Canada. ²University of Leipzig, Department of Pediatric Surgery, Leipzig, Germany</p>
11:43 - 12:00	<p>Canadian Congenital Diaphragmatic Hernia Consortium 2021 Clinical Practice Guideline (CPG) Update</p> <p><u>Olivia Ganescu</u>¹, Sairvan Fernandes², Dylan Patel¹, Elena Guadagno³, Robert Baird⁴, Pramod Puligandla³</p> <p>¹McGill University, Montreal, Canada. ²University of British Columbia, Vancouver, Canada. ³McGill University Health Center, Montreal, Canada. ⁴BC Children's Hospital, Vancouver, Canada</p>
12:00 - 12:07	<p>Administration of amniotic fluid stem cell extracellular vesicles regenerates the lung epithelium in fetal rats with CDH at translationally relevant developmental stages</p> <p><u>Kasra Khalaj</u>^{1,2}, Rebeca Figueira^{1,2}, Lina Antounians^{1,2}, Augusto Zani^{1,2}</p> <p>¹Division of General and Thoracic Surgery, The Hospital for Sick Children, Toronto, Canada. ²Department of Surgery, University of Toronto, Toronto, Canada</p>
12:07 – 12:14	<p>No Pain, Everyone's Gain: Reducing Post-op Pain in Neonates</p> <p><u>Hazel Pleasants-Terashita</u>, Carol McNair, Sharifa Habib, Annie Fecteau</p> <p>Hospital for Sick Children, Toronto, Canada</p>
12:14 – 12:21	<p>Educational Outcomes in School Age Children with a History of Hirschsprung's Disease</p> <p><u>Michael Cowap</u>¹, Gabrielle Derraugh², Robert Balshaw³, Suyin A. Lum Min^{4,2}, Richard Keijzer^{4,2}</p> <p>¹Max Rady College of Medicine, Rady Faculty of Health Sciences, University of Manitoba, Winnipeg, Canada. ²Children's Hospital Research Institute of Manitoba, Winnipeg, Canada. ³Centre for Healthcare Innovation, University of Manitoba, Winnipeg, Canada. ⁴Departments of Surgery and Pediatrics & Child Health, Division of Pediatric Surgery, Winnipeg, Canada</p>
12:21 – 12:28	<p>Contemporary National Biliary Atresia Investigations and Outcomes: A report from the Canadian Biliary Atresia Registry</p> <p>G Eamer¹, RA Schreiber², S Emil³, E Guadagno³, <u>D Briatico</u>¹, BH Cameron¹, the Canadian Biliary Atresia Registry²</p> <p>¹McMaster Children's Hospital, Hamilton, Canada. ²British Columbia Children's Hospital, Vancouver, Canada. ³Montreal Children's Hospital, Montreal, Canada</p>
12:28 – 12:35	<p>Postoperative Pain After Minimally Invasive Repair of Pectus Excavatum: A Descriptive Study</p>

	<p><u>Olivia Ganescu</u>¹, Kathryn Larusso¹, Sherif Emil^{1,2}, Jean-Martin Laberge^{1,2}, Christine Saint-Martin³, Elena Guadagno¹, Chantal Frigon⁴</p> <p>¹Harvey E. Beardmore Division of Pediatric Surgery;The Montreal Children's Hospital;McGill University Health Centre, Montrea, Canada. ²Chest Wall Anomaly Centre;Shriners Hospital for Children Canada, Montreal, Canada. ³Department of Medical Imaging;The Montreal Children's Hospital;McGill University Health Centre, Montrea, Canada. ⁴Department of Anesthesiology;The Montreal Children's Hospital;McGill University Health Centre, Montrea, Canada</p>
--	--

12:35 – 13:00 (EST)	Break
---------------------	--------------

13:00 – 14:30 (EST)	EDI Session
---------------------	--------------------

14:30 – 14:45 (EST)	Break
---------------------	--------------

14:45 – 15:45 (EST)	Scientific Session #1 (5 minute/5 slide; 4 minute Q&A) Thoracic/Oncology/Trauma Moderators:
14:45 – 14:54	<p>Congenital Lung Malformations: Development of a perinatal care clinical algorithm</p> <p><u>Steven Mehl</u>, Austin Kinley, Raphael Sun, Tim Lee, Sundeep Keswani, Alice King</p> <p>Texas Children's Hospital, Houston, USA</p>
14:54 – 15:03	<p>Musculoskeletal deformities in children with congenital thoracic malformations-a population-based case-control study</p> <p><u>Moritz Marke</u>^{1,2}, Gabrielle Derraugh¹, Robert Balshaw³, Martin Lacher², Suyin Lum Min¹, Richard Keijzer¹</p> <p>¹University of Manitoba, Department of Surgery, Division of Pediatric Surgery and Children's Hospital Research Institute of Manitoba, Winnipeg, Manitoba, Canada. ²University of Leipzig, Department of Pediatric Surgery, Leipzig, Germany. ³University of Manitoba, Centre for Healthcare Innovation, Winnipeg, Manitoba, Canada</p>
15:03 – 15:12	<p>Comparing Safety and Efficacy Between Surgical Biopsy Versus Core Needle Biopsy in Diagnosing Neuroblastoma</p> <p>Hisham Mohamed¹, <u>M Chris Pastor</u>^{1,2}, Stephanie Langlois^{1,2}, Kyle Cowan^{1,3,2}</p> <p>¹Molecular Biomedicine Program, Children's Hospital of Eastern Ontario Research Institute, Ottawa, Canada. ²Department of Surgery, Children's Hospital of Eastern Ontario, University of Ottawa, Ottawa, Canada. ³Department of Cellular and Molecular Medicine, University of Ottawa, Ottawa, Canada</p>
15:12 – 15:21	<p>Analyzing Pediatric Bicycle Injuries using Geo-demographic Data</p>

	<p><u>Gareth P Gilna</u>, Justin B Stoler, Rebecca A Saberi, Rebecca A Saberi, Adriana C Baez, Eva M Urrechaga, Alessia C Cioci, Ann C Brady, Anthony R Hogan, Eduardo A Perez, Juan E Sola, Chad M Thorson</p> <p>DeWitt Daughtry Family Department of Surgery, Division of Pediatric Surgery, University of Miami Miller School of Medicine, Miami, USA</p>
15:21 – 15:30	<p>Distribution of Injury in Inflatable Jumping Amusements in the U.S. over the last 20 years</p> <p><u>Saeed Awan</u>^{1,2}, Olivia Vukcevic³, John Schomberg¹, Troy Reyna^{1,2}, Maryam Gholizadeh^{1,2}, Elizabeth Wallace¹, Yigit Guner^{1,2}</p> <p>¹CHOC Children's, Orange, USA. ²University of California Irvine School of Medicine, Irvine, USA. ³University of California Riverside School of Medicine, Riverside, USA</p>
15:30 – 15:39	<p>Interplay of geography, transport times, and mortality risk for pediatric blunt abdominal trauma patients</p> <p><u>Irena Zivkovic</u>¹, Recep Gezer², Genevieve Ernst^{3,4}, Etienne St-Louis⁵, Robert Baird^{6,4}</p> <p>¹University of British Columbia, School of Medicine, Vancouver, Canada. ²Trauma Services BC, Vancouver, Canada. ³BC Children's Hospital Division of Emergency Medicine, Vancouver, Canada. ⁴University of British Columbia, Vancouver, Canada. ⁵McGill University, Division of General Surgery, Montreal, Canada. ⁶BC Children's Hospital, Division of Pediatric Surgery, Vancouver, Canada</p>
15:39 – 15:48	<p>Elevated International Normalized Ratio (INR) is correlated with large volume transfusion in pediatric trauma patients</p> <p><u>Danielle Mackenzie</u>^{1,2}, Daniel Briatico^{3,2}, Tony Beshay², Tessa Robinson⁴, Michael Livingston^{3,2}, Forough Farrokhyar⁵, Karen Bailey^{3,2}</p> <p>¹Division of General Surgery, Department of Surgery, McMaster University, Hamilton, Canada. ²McMaster Pediatric Surgery Research Collaborative, McMaster University, Hamilton, Canada. ³Division of Pediatric Surgery, Department of Surgery, McMaster University, Hamilton, Canada. ⁴Department of Health Research Methods, Evidence & Impact, Faculty of Health Sciences, Hamilton, Canada. ⁵Office of Surgical Research Services, Department of Surgery, McMaster University, Hamilton, Canada</p>

18:30 – 20:00 (EST)	Social Event
---------------------	---------------------

FRIDAY, SEPTEMBER 24, 2021

Virtual 5K morning run/walk

11:00 - 12:15 (EST)	Scientific Session #2 (5 minute/5 slide; 4 minute Q&A) Foregut/Midgut/Hindgut Moderators:
11:00 – 11:09	Outcomes and Disparities in Pyloric Stenosis: Incomplete Pyloromyotomy More Common Than Previously Thought <u>Gareth P Gilna</u> ¹ , Rebecca A Saberi ¹ , Joshua P Parreco ² , Alessia Cioci ¹ , Eva M Urrechaga ¹ , Chad M Thorson ¹ , Juan E Sola ¹ , Eduardo A Perez ¹ ¹ DeWitt Daughtry Family Department of Surgery, Division of Pediatric Surgery, University of Miami Miller School of Medicine, Miami, USA. ² Memorial Healthcare System, Hollywood, USA
11:09 – 11:18	Factors Affecting Complication Rates Post Colectomy for Ulcerative Colitis: A Systematic Review <u>Jonathan Hampshire</u> ¹ , Sarah Morin ¹ , Christine Li ¹ , Troy Perry ^{2,1} ¹ University of Alberta, Edmonton, Canada. ² Stollery Children's Hospital, edmonton, Canada
11:18 – 11:27	Do patients with functional constipation/encopresis experience a similar quality of life improvement after antegrade continence enema (ACE) therapy compared to patients with an organic diagnosis? <u>Shawn Brophy</u> ¹ , Kelly Brennan ¹ , Emily Woodgate ¹ , Bridget Pinaud ¹ , Elizabeth McLaughlin ² , Joanne Gillespie ² , Zubin Grover ³ , Christopher Blackmore ¹ , Rodrigo Romao ¹ ¹ IWK Health, Division of Pediatric General Surgery, Halifax, Nova Scotia, Canada. ² IWK Health, Department of Children's Health Psychology, Halifax, Nova Scotia, Canada. ³ IWK Health, Division of Pediatric Gastroenterology, Halifax, Nova Scotia, Canada
11:27 – 11:36	The use of urine sodium to creatinine ratio as a marker of total body sodium in infants with intestinal failure <u>Seungwon Choj</u> ¹ , Susan Albersheim ² , Rhonda Van Oerle ² , Mike Irvine ³ , Hannah Piper ^{1,4} ¹ University of British Columbia, Vancouver, Canada. ² BC Women's Hospital and Health Centre, Vancouver, Canada. ³ BC Children's Research Institute, Vancouver, Canada. ⁴ BC Children's Hospital, Vancouver, Canada
11:36 – 11:45	Ideal Intervention Timeline in Fetal Gastroschisis Paul Jeziorczak ^{1,2} , <u>Riley Frenette</u> ^{1,3} , Charles Aprahamian ^{1,2} ¹ OSF Healthcare- Children's Hospital of Illinois, Peoria, USA. ² University of Illinois College of Medicine at Peoria, Peoria, USA. ³ AT Still University- Kirksville College of Osteopathic Medicine, Kirksville, USA

11:45 – 12:04	<p>Timing of surgery for paediatric Crohn’s disease complicated by intra-abdominal collection or phlegmon</p> <p><u>Jill Quirt</u>, Akshay Kapoor, Thomas Walters, Jacob Langer</p> <p>Sick Kids, Toronto, Canada</p>
12:04 – 12:13	<p>Effect of COVID-19 on pediatric appendicitis presentations and complications</p> <p><u>Christine Li</u>, Abdullah Saleh</p> <p>University of Alberta, Edmonton, Canada</p>

12:15 – 13:15 (EST)	JPS/MacLeod Lecture
---------------------	----------------------------

13:15 – 13:45 (EST)	Break
---------------------	--------------

13:45 – 15:00 (EST)	6th Annual Sigmund Ein Panel
---------------------	--

15:00 – 15:15 (EST)	Break
---------------------	--------------

15:15 - 16:15 (EST)	<p>Scientific Session #3 (5 minute/5 slide; 4 minute Q&A)</p> <p>General Moderators:</p>
15:15 – 15:24	<p>Long Term Outcomes of Children with Sacrococcygeal Teratoma</p> <p><u>Steven Mehl</u>, Madeline Flanagan, Walker Short, Sundeep Keswani, Tim Lee, Raphael Sun, Alice King</p> <p>Texas Children's Hospital, Houston, USA</p>
15:24 – 15:33	<p>Audit on PICC insertion during infected central line removal, is it a safe approach?</p> <p><u>Osama ElSharnoby</u>, Vishal Aggarwal, Daniel Colliver</p> <p>Queens Medical Centre, Nottingham, United Kingdom</p>
15:33 – 15:42	<p>Breast milk use in uncomplicated gastroschisis: a retrospective cohort study</p> <p><u>Emily Charlotte Hodgson</u>^{1,2,3}, Michael Livingston⁴, Tessa Robinson^{5,6,7}, Forough Farrokhyar⁸, Mark Walton^{6,5,9}</p> <p>¹Postgraduate Medical Education, McMaster University, Hamilton, Canada. ²Biomedical Graduate Studies, University of Pennsylvania, Philadelphia, USA. ³Division of Pediatric General, Thoracic and Fetal Surgery, Children's Hospital of Philadelphia, Philadelphia, USA. ⁴Division of Pediatric Surgery, McMaster University, Hamilton, Canada. ⁵McMaster Pediatric Surgery Research Collaborative, McMaster University, Hamilton, Canada. ⁶Division of Pediatric Surgery, Department of Surgery, McMaster University, Hamilton, Canada. ⁷Department of Health Research Methods, Evidence & Impact, Faculty of Health Sciences, McMaster University, Hamilton, Canada. ⁸Office of Surgical Research Services, Department of Surgery, McMaster University, Hamilton, Canada. ⁹McMaster Children's Hospital, Hamilton, Canada</p>

15:42 – 15:51	<p>A survey of management preferences for bladder exstrophy and cloacal anomalies among Canadian pediatric surgeons and urologists</p> <p>Catherine Morgan¹, <u>Mackenzie Lees</u>², Dawn MacLellan², Christopher Blackmore², Rodrigo Romao²</p> <p>¹McGill University, Montreal, Canada. ²Dalhousie University, Halifax, Canada</p>
15:51 – 16:00	<p>Postoperative management of pediatric patients undergoing minimally invasive repair of pectus excavatum: Where are we now?</p> <p><u>Sawmmyia Kirupaharan</u>¹, Tessa Robinson², Daniel Briatico^{1,3}, Peter Fitzgerald^{1,3,4}, Mark Walton^{1,3,4}</p> <p>¹McMaster Pediatric Surgery Research Collaborative, McMaster University, Hamilton, Canada. ²Department of Health Research Methods, Evidence & Impact, Faculty of Health Sciences, McMaster University, Hamilton, Canada. ³Division of Pediatric General Surgery, Department of Surgery, McMaster University, Hamilton, Canada. ⁴McMaster Children's Hospital, Hamilton, Canada</p>
16:00 – 16:09	<p>Expectant management of pediatric lymphatic malformations: a 30-year chart review.</p> <p><u>Casey Thorburn</u>, David Price</p> <p>Janeway Children's Hospital, St. John's, Canada</p>
16:09 – 16:18	<p>Pediatric Cultures and Sepsis Bundles, Not a One Size Fits All: An Evaluation of Pediatric Appendicitis Culture Results and Utilization</p> <p><u>Krista Stephenson</u>, Jeffrey Burford, Lori Gurien, Patrick Bonasso, Melvin Dassinger</p> <p>Arkansas Children's Hospital, Little Rock, USA</p>

16:15 – 16:30 (EST)	President's Address
---------------------	----------------------------

16:30 - 17:00 (EST)	Research/CANCORPS/CAPSNet Update
---------------------	---

18:30-20:00 (EST)	Junior Surgeons Social
-------------------	-------------------------------

SATURDAY, SEPTEMBER 25, 2021

10:00 – 11:45 (EST)	CAPS Annual Business Meeting
---------------------	-------------------------------------

11:45 – 12:30 (EST)	Break
---------------------	--------------

12:30 – 13:30 (EST)	<p>Scientific Session #4 (5 minute/5 slide; 4 minute Q&A) Global Surgery/Quality & Safety Moderators:</p>
---------------------	--

12:30 - 12:39	<p>Caring for Neonates from Low and Middle Income Countries with Esophageal Atresia and Tracheoesophageal Fistula in the United States</p> <p><u>Hae Sung Kang</u>¹, Samuel Kraus¹, Emily Robertson², David Lanning^{3,1}</p> <p>¹Virginia Commonwealth University Health, Richmond, USA. ²World Pediatric Project, Richmond, USA. ³Children's Hospital of Richmond, Richmond, USA</p>
12:39 - 12:48	<p>Use of a risk communication survey to prioritize family-valued outcomes and communication preferences for children undergoing outpatient surgical procedures</p> <p><u>Brandon Arulanandam</u>¹, Arthega Selvarajan¹, Sherif Emil², Elena Guadagno², Patricia Li³, Annie Janvier⁴, Robert Baird⁵, Nelson Piche⁶, John Sotirios Sampalis⁷, Jeannie Haggerty⁸, Sam Daniel⁹, Dan Poenaru²</p> <p>¹Faculty of Medicine and Health Sciences, McGill University, Montreal, Canada. ²Harvey E. Beardmore Division of Pediatric Surgery, The Montreal Children's Hospital, Montreal, Canada. ³Division of General Pediatrics, The Montreal Children's Hospital, Montreal, Canada. ⁴Division of Neonatology, Centre Hospitalier Universitaire Sainte-Justine, Montreal, Canada. ⁵Division of Pediatric General Surgery, BC Children's Hospital, Vancouver, Canada. ⁶Division of Pediatric General Surgery, Centre Hospitalier Universitaire Sainte-Justine, Montreal, Canada. ⁷JSS Medical Research, St-Laurent, Canada. ⁸Department of Family Medicine, McGill University, Montreal, Canada. ⁹Department of Otolaryngology - Head and Neck Surgery, The Montreal Children's Hospital, Montreal, Canada</p>
12:48 - 12:57	<p>Patient-Reported Outcome Measures in Pediatric Surgery - A Systematic Review</p> <p><u>Anne-Sophie Besner</u>¹, Julia Ferreira¹, Rana Gaffar¹, Xiao Yi Nikki Ow¹, Elena Guadagno², Dan Poenaru^{1,3}</p> <p>¹McGill University, Montreal, Canada. ²MUHC, Montreal, Canada. ³Montreal Children's Hospital, Montreal, Canada</p>
12:57 – 13:06	<p>Parental Perceptions and Experiences of Care in the Surgical Neonatal Intensive Care Unit</p> <p><u>Jennifer Lam</u>¹, Alexandra Howlett², Lori Stephen², Mary Brindle²</p> <p>¹Western University, London, Canada. ²University of Calgary, Calgary, Canada</p>
13:06 – 13:15	<p>Follow-up of children who undergo an uncomplicated surgical procedure: a caregiver survey to determine satisfaction, family impact, and follow-up preferences</p> <p><u>Cindy Holland</u>, Anna Shawyer</p> <p>Winnipeg Children's Hospital, Winnipeg, Canada</p>
13:15 – 13:24	<p>Ankyloglossia release: a novel technique</p> <p><u>Meagan Wiebe</u>¹, Katherine Kearns², Christina Raimondi², Richa Tandon², Melanie Morris³</p> <p>¹Department of Surgery, Division of General Surgery, University of Manitoba, Winnipeg, Canada. ²Department of Family Medicine, University of Manitoba,</p>

	Winnipeg Breastfeeding Centre, Family Care Medical Centre, Winnipeg, Canada. ³ Department of Surgery, Division of Pediatric Surgery, University of Manitoba, Winnipeg, Canada
13:24 – 13:33	Providing Care to Children from Low and Middle-Income Countries with Complex Surgical Problems: An 18 Year Review <u>Hae Sung Kang</u> ¹ , Emily Robertson ² , Hiba Vohra ² , William Richter ² , David Lanning ^{3,1} , Jonathan DeAntonio ¹ ¹ Virginia Commonwealth University Health, Richmond, USA. ² World Pediatric Project, Richmond, USA. ³ Children's Hospital of Richmond, Richmond, USA

13:30 -13:45 (EST)	Break
--------------------	--------------

13:45 – 14:45 (EST)	CAPS Global Surgery
---------------------	----------------------------

14:45 – 15:00 (EST)	Break
---------------------	--------------

15:00 - 16:00 (EST)	Scientific Session #5 (2 minute/2 slide; 4 minute Q&A) Moderators:
15:00 – 15:06	Delayed inguinal hernia repair in premature babies: a retrospective study <u>Camille Plourde</u> , Anna Shawyer, Morgan Sawchyn, Giuseppe Retrosi University of Manitoba, Winnipeg, Canada
15:06 – 15:12	Navigating ethical dilemmas in paediatric surgery: examples from ophthalmology and vascular surgery. <u>Farhad Udwardia</u> ¹ , Haaris Khan ¹ , Jane Zhu ² ¹ University of British Columbia - Faculty of Medicine, Vancouver, Canada. ² University of Toronto - Faculty of Medicine, Toronto, Canada
15:12 – 15:18	Implementation of a standardized handover in pediatric surgery <u>Victoria Lee-Wing</u> ¹ , Anna Shawyer ² ¹ University of Manitoba, Winnipeg, Canada. ² Winnipeg Children's Hospital, Winnipeg, Canada
15:18 – 15:24	SWOT Analysis for a Pediatric Appendicitis Quality Improvement Project <u>Tristin Latty</u> , Joe Calpin, Jordan McKean, Nicole Copenhaver, Moiz Mustafa, Robin Petroze University of Florida College of Medicine, Gainesville, USA
15:24 – 15:30	The Accuracy of Serum Alpha Fetoprotein as Marker of Malignant Recurrence in Patients who Underwent Excision of Sacrococcygeal Tumor:A Systematic Review of Diagnostic Test Accuracy <u>Amabelle Moreno</u> , Mario Angelo Zamora, Ma. Celine Isobel Villegas Philippine General Hospital, Manila, Philippines
15:30 – 15:36	Development of a patient database to track short- and long-term outcomes of children with intestinal failure in Manitoba <u>Karam Al-Bayati</u> ¹ , Jennifer Griffin ² , Anna Shawyer ²

	<p>¹University of Manitoba, Winnipeg, Canada. ²Winnipeg Children's Hospital, Winnipeg, Canada</p>
15:36 – 15:42	<p>Another Consequence of COVID: An Increase Rate of Inguinal Hernia Incarceration</p> <p><u>Maya Singhal</u>¹, Robert Baird²</p> <p>¹McGill University, Montreal, Canada. ²BC Children's Hospital / University of British Columbia, Vancouver, Canada</p>
15:42 – 15:48	<p>Delayed Presentation and Diagnosis of Duodenal Stenosis</p> <p><u>Rachel Kim</u>¹, Juyeon Park², Richard Scriven³, Helen Hsieh³</p> <p>¹Renaissance School of Medicine, Stony Brook University, Stony Brook, USA. ²Department of General Surgery, Stony Brook Medicine, Stony Brook, USA. ³Division of Pediatric Surgery, Department of Surgery, Department of Pediatrics, Stony Brook Children's Hospital, Stony Brook, USA</p>
15:48 – 15:54	<p>Can we move to day surgery laparoscopic cholecystectomy for pediatric patients: a retrospective review</p> <p><u>Rheann Brownstone</u>¹, Giuseppe Retrosi², Anna Shawyer²</p> <p>¹University of Manitoba, Winnipeg, Canada. ²Winnipeg Children's Hospital, Winnipeg, Canada</p>
15:54 – 16:00	<p>Ototoxic drug use and hearing impairment in congenital diaphragmatic hernia patients: a single centre review</p> <p><u>Meagan Wiebe</u>¹, BJ Hancock²</p> <p>¹Department of Surgery, Division of General Surgery, University of Manitoba, Winnipeg, Canada. ²Department of Surgery, Division of Pediatric Surgery, University of Manitoba, Winnipeg, Canada</p>
16:00 - 16:15 (EST)	CAPS 52nd Annual Meeting Closing Remarks
