

LOCUM OPPORTUNITY – Children's Hospital, London Health Sciences Centre, London ON

Our group of 4 pediatric general surgeons is seeking an interested pediatric surgeon to join us for a six month locum opportunity (full time or part time), starting June 1, 2025. Our team consists of 4 attending surgeons, 2 fellows, 1 nurse practitioner, residents and medical students. The Children's Hospital at London Health Sciences Centre (LHSC) is an academic paediatric hospital, affiliated with Western University, which provides specialized surgical care to the neonatal and paediatric populations of Southwestern and Northern Ontario. Our hospital serves a population of over 2,378,932 million or 17.2% of Ontario's population, with children comprising 22.7% of this population. This translates into over 500,000 children receiving surgical care at our hospital. As a regional referral centre, we provide specialized pediatric inpatient and outpatient services to children in Southwestern Ontario from birth through to age 18.

We offer a competitive alternative payment plan as well as shadow billings.

Interested applicants can forward their CV and/or direct any questions by email to:

Dr. Andreana Bütter
Professor of Surgery and Pediatrics, Western University
Chair/Chief, Division of Pediatric Surgery
Children's Hospital, LHSC
B1-190, 800 Commissioners Rd East
London ON N6A 5W9
