The Saskatchewan Health Authority (SHA) is dedicated to learning and is a partner in the growing educational needs of medical students and residents from the College of Medicine, University of Saskatchewan.

The Community:

Regina is a beautiful oasis on the prairies with a steadily growing population exceeding 200,000. Regina is known for its generous, friendly people and rich community pride, fuelled by the "I Love Regina" campaign. This welcoming prairie city has an abundance of parks, sports and recreational facilities, bicycle pathways, family attractions and an exceptional quality of life. There are many attractions and events that take place all year in Regina for residents and tourists alike (www.regina.ca).

The Saskatchewan Health Authority:

The SHA is the largest organization in Saskatchewan, employing over 44,000 employees and physicians responsible for the delivery of high quality and timely healthcare for the entire province. We are driven by the commitment to improve frontline patient care for Saskatchewan people, and we are working together to better coordinate health services across the province to ensure that patients receive high quality, timely healthcare, wherever they live in Saskatchewan.

The SHA supports a shared commitment to a Representative Workforce that is respectful and inclusive of all staff and clients. We welcome applications from those who will contribute to the diversity of our community.

Qualifications:

This individual should be a team player, be able to interact effectively with patients, colleagues, staff and management, and function well in a high volume environment with a commitment to provision of high quality patient and family centered care.

The successful candidate will be a Fellow (or be eligible for Fellowship) with the [Royal College of Physicians and Surgeons of Canada \(RCPSC\)](#) in Pediatric Surgery. Candidates should be eligible for licensure with the [College of Physicians and Surgeons of Saskatchewan \(CPSS\)](#).

In accordance with immigration requirements, preference will be given to Canadian citizens and permanent residents of Canada.

The successful applicant is expected to participate in the undergraduate, postgraduate, and continuing medical education programs of the Department of Surgery in the Regina Area.

The start date for this position is negotiable. Applications will be accepted until the position is filled.
